## Professional Biography

Angela Stafford MSc is an occupational psychologist working in the fields of executive coaching, leadership development and assessment for development. She has her own consultancy, Cambray Associates Ltd, and is based in London. Her client base represents multinational organizations in the areas of manufacturing and transport, hotel and travel, construction, civil engineering and project management, pharmaceuticals, media and information-technology and finance. She has also worked in educational institutions and various levels of government. Her client base reaches from Europe to India and the Middle East.

Before establishing her consultancy, she worked with Alcan Aluminium, taking responsibility for recruitment, management development and succession planning.

Angela specializes in the area of leadership development, and works in projects focusing on leadership competencies and succession planning, team work and team development, personal effectiveness and performance management, strategic planning and handling change, communication, managerial and coaching skills development. She is expert in planning and conducting assessment centers and has been an executive coach for many years working globally with high potential junior managers, senior managers and executives.

Some of her recent projects have been with the following businesses or institutions: IT-IMS Health, Orkla, British Airways, Carillion, Mott MacDonald, GSK, Syngenta, Unilever, Philips, Getty Images, BBC, Nokia, Dept of Work & Pensions, Four Seasons Hotel Group, Deutsche Bank, Citibank, Credit Suisse, INSEAD, Dept of Health & Social Security, Dept of Trade & Industry, Siemens, Haniel and Renault.

Angela holds a degree in Psychology from London University. She is certified in the following psychometric instruments: MBTI, Firo-B, CPI, KAI, I 6 PF, NEO, Symlog.

She is a member of the British Psychological Society.

Angela is a keen traveller, she has lived and worked in France, Spain, Germany and Greece and has a working knowledge of French, Spanish and German. She is particularly interested in the challenges facing international and multi-cultural organisations.

In her spare time she enjoys walking, visiting art galleries and Romanesque churches and listening to Baroque music.
